APRIL 2010

Just the Facts on Pension — And More!

By Executive Director Gary Stucky

SYCEA Local #1 continues to monitor anti-public employee pension forces to ensure that our members are informed and to protect our members' valuable benefits. We are pleased to inform you that even though two initiatives (which would have decimated public employee pensions in the State of California) were qualified for circulation; the sponsors have essentially "thrown in the towel" claiming insufficient funds to acquire the necessary signatures to place these matters on the November ballot. We will remain vigilant in tracking efforts to undermine public employee pensions.

Meanwhile, due to an abundance of misinformation

and exaggerations, Sutter County has decided to sponsor a pension workshop in order to provide factual information to the Board of Supervisors and the public. This workshop will be held on Tuesday, May 4, at 6:00 PM prior to the regular Board meeting. Presenters at the workshop will include Rick Santos, CalPERS Actuarial and Ameer Brown, Executive Director, Retirement Journal. Mr. Santos will provide information regarding the funding of defined-benefit retirement plans and Ms. Brown will focus on the pros and cons of defined-benefit plans versus defined-contribution plans.

At this time, your leadership is not requesting that we have a

massive turnout at this workshop. To the contrary, we feel it is important that this workshop occur without distraction or the potential for logistical problems. The SCEA Board of Directors and Site Representatives have been encouraged to attend in order to have a presence before the Board of Supervisors and to take advantage of this opportunity to become better informed on this important issue. We of course encourage all members to watch the workshop on television, which we understand will be aired in connection with the normal production of the Board of Supervisors meeting that same week.

Membership/Fair Share Fee Payer/Conscientious Objector

*By Marie Clark
Business Agent*

When a new employee is hired within one of the units that we represent where employees have approved an agency shop agreement, the employee is given a choice between becoming a member, fair share fee payer, or an exemption as a conscientious objector (if they qualify). If the employee joins

as a member, they are entitled to the full benefits of membership, which include attending all union meetings, presenting ideas for negotiation proposals, voting on the full contract, or any contract modification that eliminates or defers a benefit, attend the membership appreciation

luncheons, receive discounts from local businesses and amusement parks tickets and coupons, free notary services, receive pens, lanyards and other union give-away items, the option to participate in insurance program plans, vote on the election of officers, directors, or site

representatives, hold office as an officer, director, or site representative. The dues for a member are 1% of the employee's gross monthly salary plus \$1.25 unit fee per month. Only .04% of the 1% dues funds programs not directly related to employee representation. The

Carol Witherow, Well-Deserved Retirement

By Executive Director Gary Stucky

After over 40 years of dedicated service to Yuba County, Carol Witherow, a friend, a coworker and union activist has decided to retire and enjoy life doing those things she loves the most. Carol became active in YCEA very shortly after the Association decertified the Operating Engineers, Local #3 (OE3) in 1985. Carol was an activist in OE3 and quickly became involved in the Association and put her acquired knowledge to work on behalf of her coworkers.

Since 1985, Carol was actively and continuously involved in YCEA serving on various committees, helping with social events and serving on the Board of Directors. When she retired, she held the position of Secretary/Treasurer and served on the YCEA Budget Committee. Carol's retirement represents a significant loss of historical knowledge to both the County and our Association. Nonetheless, we are happy for Carol and wish her a long, healthy and prosperous retirement.

Carol Witherow and Gary Stucky
Happy retirement, Carol!

Request for Catastrophic Leave Donation — Laura Wakefield

Yuba County member, **Laura Wakefield of the CalWORKS division of Health and Human Services** has been granted catastrophic leave for a serious health condition. All sick leave and vacation accruals have been exhausted and she is expected to be out for an undetermined amount of time.

The Catastrophic Leave Policy allows Yuba County employees to donate their accrued **vacation** time to a co-worker who has exhausted their own leave time due to a catastrophic injury or illness. On March 16, 2010, the Board of Supervisors approved this request.

If you decide that you would like to make a donation from your accrued **vacation** hours, please contact Yuba County Personnel for the Request to Donate Vacation Hours to Co-Worker form.

Amusement Park Discounts

By Office Manager Anna Anderson

What we offer and the best deals we could find:

Online ticket deals at amusement park websites:

- Discovery Kingdom—*Everyone pays the kid's price. (\$29.99)*

UPCOMING SCHOOL, STATE, AND PUBLIC AGENCY ELECTIONS FOR CalPERS BOARD OF ADMINISTRATION—During 2010, the California Public Employee's Retirement System will be conducting elections for School, State, and Public Agency representatives on the CalPERS Board of Administration (Board). The term of office for the current representatives, Rob Feckner (School), George Diehr (State), and Priya Sara Mathur (Public Agency) will expire January 15, 2011. The new term of office will begin January 16, 2011, and end January 15, 2015. Eligible School, State and Public Agency Members will have an opportunity to vote for their representative on the Board.

In March 2010, the Notice of Election was mailed to Public Agencies for posting and routing to active members. The Notice outlines the procedures for becoming a candidate and gives the election schedule of dates and activities.

CalPERS members who have recently moved should update their address information before May 2010 to ensure that each eligible member receives a ballot at their home in September 2010. Members may update their address information by going to the Forms & Publications area of the CalPERS On-Line, at www.calpers.ca.gov, and downloading a Member Change of Address Form to mail, or make the change online using myCalPERS. Or call the Customer Contact Center @ 888 CalPERS. Also, members should inform their employer of any change of address for their employer's records.

Membership/Fair Share Fee Payer/Conscientious Objector

\$1.25 (equals \$15 yearly) defrays the cost of the give-away items, member appreciation events and leadership meeting costs.

When an employee chooses to become a fair share fee payer, none of their money is spent for political action. The monthly/bi-weekly dues amount for a fair share fee is 96% of the 1%. Fair share fee payers do not pay the unit fund fee since the fee payer does not qualify for the additional benefits of membership.

A conscientious objector is someone who demonstrates that they are a member of a

bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations as a condition of employment or that provide proof that they have personally held such beliefs historically, pursuant to the law. If an employee qualifies as a conscientious objector, then the 1% dues amount is contributed to one of the three charities that the Union has designated. Pursuant to the law these charities are nonlabor related and nonreligious based. Additionally, the unit fund fee doesn't apply since the conscientious objector does not qualify for

the additional benefits of membership.

Whether you are a member, fair share fee payer, or conscientious objector, you will receive representation on collective contract matters and individual representation on grievances and disciplinary appeals. Currently there is a one-time initiation fee of \$45.00 for members and conscientious objectors, and \$43.20 (96%) for fair share fee payers.

We encourage anyone who has questions on membership, fair share fee payer or conscientious objector status to contact the Union.
