Bruce Fairchild from **Benefits Technologies** and **Melissa Messer** from **Liberty Mutual**

Though we couldn't provide a beach, staff did try to set the mood with some beach pails, sand, and beach balls. And it looked like members were having some fun with the sunglasses and paddle games that were scattered across the tables as decorations. It was a nice breezy day in the sunshine and the wind generated some action from the pinwheels in the sand centerpieces.

Bill's Chuckwagon barbecued hamburgers and provided all the fixings for a nice lunch, which included green salad, potato salad, and ranch beans. Bruce Fairchild from Benefits Technologies distributed some information on insurance available to Local #1 members and Melissa Messer from Liberty Mutual was on hand to answer any questions regarding car and home insurance offers. Melissa brought along a game and some promotional giveaways as well. Michelle Poole from The Country Florist was on hand to sign up anyone interested in taking advantage of setting up an account and receiving the 10% discount offered to members. Michelle also brought a beautiful orchid as one of the door prize giveaways.

SYCEA staff would like to thank the volunteers that helped set up all the tables and chairs, decorate, work at the admissions table, and/or cleanup, which included Robin Timoszyk, Stephanie Smith, George Boyd, John Houston, Linda White, Marsha Simmons, Ramona Mallonee, Alex Hadley, and Bunny Elkins.

Local #1 General Manager, Larry Edginton attended the event to converse with our members and assist staff with the event. We appreciate his support and effort to be available to our members.
